me: Holyhead
ct: Sexy Simone has just started studying for a degree in physi otherapy. Which is handy, because as soon as we laid eyes on her, we got lo calised muscle stiff ness and swelling...

My first An

Most guys want to do it, and most women seem a little less sure! We asked one regular *Razzle* reader what it feels like to get fucked round the back...

It's a strange thing, I know, but anal sex is the one thing that I can't talk to my girlfriends about! We're all young and single, and most blokes wouldn't believe how we talk about the blokes we pull on one night stands, but the fact that I love being fucked in my arse as much as I love it in my pussy is not something I feel I could tell them.

If I'm totally honest, I think that that taboo element to the whole thing is one of the reasons I enjoy it so much. The pleasure I get from it is as much about how it feels in my head as how it feels physically. I feel like I'm being naughty, dirty... and I love it!

I don't do it a lot, it's not like I offer every guy I pull the chance to fuck me that way, but with the right guy... there's nothing to beat it. The last guy I let fuck me there, well, I thought he was going to cum there and then when I put my arse in the air and pleaded with him – only half joking – to fuck it!

I can still remember the first time I did it like that, although the relationship is long over. I'd been seeing Gary for about four months, and were were fucking like bunnies. I mean we hardly stopped! We'd get up for work, screw before we left the house, send dirty texts to each other all day and then fuck pretty much the moment we got in the house. He was a few years older than me, 27 I think, and I was just 19. The fact that he was older meant that he really opened me up, sexually speaking. Most of the guys I'd been with up to that point were about my own age, and they couldn't lick pussy to save their lives. To be blunt, most of them could hardly fuck either – talk about having a hair trigger!

Gary, though, now there was a guy who knew how to screw! The first time we got together I came harder than I ever had, and from then on it was me and him, fucking every chance we got. Obviously, after a while the fire burned itself out, but if nothing else he left me with a love of anal sex.

"I was shocked by how much I enjoyed it"

The first time we did it, I was shocked by how much I enjoyed it. I'd noticed that, a lot of the time that we screwed, Gary would pay a lot of attention to my arse. Either he'd press his cock between my arse cheeks and wank himself against me, or he'd rub and slap it. Sometimes he'd even slip the tip of a finger inside my ring, which always gave me a thrill.

We were screwing one Saturday morning when I gave Gary the go ahead. His cock was already deep inside my wet pussy, and once again he'd slipped a finger inside my arse as

nal!

he fucked me side on. I reached up, pulled his head towards me, and whispered into his ear "If you like my arse so much, why don't you fuck it?" He tensed up at that, stopped what he was doing and just looked straight at me. "Sure?" he said, just to give me a chance to back out. I nodded that I was, and he pulled out of my pussy. "Lie on your front," he said. I did as he asked, and then he got me to lift myself up a little, so he could put a pillow underneath me. Then he reached over to the bedside table and grabbed a pot of petroleum jelly I had there and smeared some over his cock and my arsehole. It felt cold, slick, and I gasped a little as he placed a couple of fingers up my arsehole and frigged them lightly in and out.

I had no idea what it was going to feel like. Gary's cock looked massive compared to my tight little butt hole, but I trusted him to stop if I asked him, so when I felt the tip of his cock press against my arse I just tried to relax into it. It was weird, a little uncomfortable, but not actually painful. Gary took his time, easing the head of his cock inside me very slowly. "How's that?" he said. I told him that it was okay, but that he should take his time. Once the head of his cock was up my arse he started to push in a little further, very gingerly, before almost pulling out again and then thrusting in a little further.

I'd never been this filled before, Gary's cock felt massive in my arse, in a way that was really different to the way it felt in my pussy. More than that, though, I just felt like a total slut, like I was doing something really naughty, really sleazy and sexy. That, as much as the way it felt, was getting my pussy even wetter.

Gary started to thrust in and out of my arse, nowhere near as fast as he did with my pussy, but enough to get some pace going. I could really feel every thrust, and as he pressed in deeper and deeper I had to catch my breath. Then his hand reached round and started to fiddle with my clit. I was so juiced up, I could hear the juices swilling around down there! The moment he started to frig my clit with his thumb, I almost went haywire, like every bit of me had just got a shock or something.

He started to pick up the pace round the back, thrusting in deeper and deeper as he frigged my pussy.

My hands gripped the edge of the bed as I felt a massive orgasm building up inside me. I felt so sexy, so slutty, and I could hear Gary grunting as he fucked my tight arse and frigged my clit. He wasn't going at it that hard, but I think both of us were really getting off on the situation.

I Came pretty quickly, and as the orgasm shot through me and my pussy and arse clenched, I felt Gary shoot his load up my back passage. Felt the hot spunk gush out inside me. We lay there like dogs for a couple of seconds, before Gary gently pulled out of me. It felt a little sore, but because we'd used a lot of lubrication, it was fine, and after we'd kissed, I went to clean myself up.

"I could really feel every thrust"

After that, we used to save anal for special occasions, or for when I was feeling really slutty. Gary always took his time and wasn't too rough, and I think those early good experiences have left me with a lasting taste for it. My current fella, Gregg, has fucked me that way a couple of times, and while it won't ever replace a good old fashioned fuck in the pussy, there are times when it's the only thing that'll satisfy me...

Fact: You'll probably recognise Anya from Razzle,as she's appeared regulary since she sent some photos into Readers' Wives, only to be spotted by designer, Joel. And thank fuck he did, eh?

Fortunately, a recent trip to get a new tyre for the Razzle Teen-mobile was made considerably more enjoyable by the semi-naked presence of Candy, a blonde British bird with one of the best backsides we've seen in a while, and one which we hope to have the pleasure of in the not-too-distant future. The rest of her is pretty hot too. Check out the website for loads of xtra pics and a particulary horny video.

True Con

Never had a lesbian experience? Go for it – you might surprise yourself! Just like Elle from Plymouth...

I'm 19 and never had so much as a girl crush up until now, but last week I had my first taste of lesbian pussy.

I was visiting some friends who live on the other side of town, and they took me to their local pub. Nothing special, just a big, modern place that did OK beer and OK cheap lunches. But one of the barmaids there, Marianne, was really something else.

She was wearing tight skinny jeans and a fitted baby-blue T-shirt, that really showed off her figure. She had long brunette hair, in a big plait halfway down her back, and seemed to flirt with everybody, boys and girls. Not inappropriate, just fun and friendly. Like I said, I've never fancied a girl before, but I could feel myself blushing and, when I went to the loo, I realised my pussy was really juiced up.

"I started to unzip his jeans, desperate to get hold of his cock!"

It sounds really crazy, almost stalker-ish, but the next time I got a day off, I went to the same pub, hoping that Marianne would be on duty. She was and, even better, she remembered me. The place was fairly quiet, it being a Monday afternoon, and she kept stopping to chat. Then she came up and said she had a 20-minute break, if I fancied keeping her "company".

She wanted more than a chinwag, and so did I, of course! Once we were in the staff area, she half-led, half-dragged me off to a little utility room, with just enough space for the two of us. Immediately, we had our tongues down each other's throats, and she was feeling me up all over, obviously quite experienced with other girls.

Just being around her had got me all wet again, and when she slipped a hand down in between my legs, she said she could feel how hot and wet I was, even though my trousers.

We didn't have much time and so she had them and my knickers down straight away, then jammed three fingers into my snatch. I felt the juices start to run and splash out of me as she started pumping, trickling down my inner thighs. She wasn't rough with me but she didn't hold back either. Then I told her I wanted it even harder, and she laughed, saying she'd never thought I'd be such a filthy little bitch. Those words just had me tightening around her fingers!

We shared one last, very wet snog before she had me lean back, hanging on to a small storage cabinet for balance. Her fingers were still fucking me really hard, then I felt them pull out and swipe

fessions!

up along my crack, trailing wetness after them. As they penetrated my arsehole, she clamped her mouth over my cunt, first licking it then virtually burying her nose in it as her mouth moved down to give my clit a bit of attention. As her slightly rough tongue lapped over my bud, I felt the first tingles of an orgasm. I started breathing hard and deep, increasing the sensations. Then, suddenly, as Marianne sucked my clit, I came really hard, grinding back to soak my face with the juices my clenching muscles were forcing out. She gave me another snog – sticky this time – and said she'd see me in a bit. I was confused – obviously I'd loved what she did to me, but I'd wanted a crack at her snatch, too. Thankfully, I got one. I decided I needed a glass of wine after what had just happened,

and of course Marianne served it to me, on the house. She acted like nothing had just happened between us, but pointed discreetly at the beer mat she'd given me, with my drink, where she'd written her phone number and a message that she knocked off at 4pm.

I spent the next few hours in a local park, hoping my mates wouldn't come along and wonder why I was in the area. But, after what seemed like an incredibly long wait, we finally ended up back at hers. Her pussy was as gorgeous as the rest of her, and waxed totally smooth so it was extra juicy!

"I groaned loudly as I orgasmed"

It's early days – I don't know if it's going to go anywhere, or if it will just be a one-off lezzie fling or the start of a new chapter in my sex life. But for now, I'm just going to enjoy it for what it is!
